a. Facility Tour

- b. LCCPA Coursework Introduction: *New LCCPA Advisory Council members were introduced to the basic operations of the Academy's curriculum, including the ALEKS program, curriculum in the cloud, and classes outside of the Academy in LCHS. FVTC Jump Start, UW-Fox Valley courses, and other opportunities were also discussed.*

- c. School-to-Career Program Outline: *New LCCPA Advisory Council members were introduced to the leveled approach on the career side of the curriculum. As students progress through the Academy, they are able to hone in on careers of*

interest after exploring a wide array of occupations during their first two years at the LCCPA. We also discussed the variation among the three pathways: business, manufacturing, and health services due to the amount of opportunities for internships, tours, etc. in the Fox Valley area.

3. Open Discussion
